Take your management career to the next level with the Chester MSc Management

A business is all about its people. Our strong people focus enables you to develop your skills to lead and manage teams to drive forward projects, helping you to improve your own skills and those of your team to take on the challenges of today’s competitive business arena. Our MSc aims to build your abilities to be innovative, dynamic and manage change through creative thinking and to become a key contributor to improving business performance.

Gaining a Competitive Edge

Our MSc will give you a professional edge to prepare you to be an all-rounder in the world of business. You’ll understand contemporary practices across a range of functional areas, as well as specialising, should you wish to, in a particular business aspect.

The Management MSc is the ideal stepping stone from undergraduate study, or from the workplace, to becoming a professional manager with an understanding of global business principles. This is especially so if you are coming from a non-business related degree or job and we welcome graduates and professionals from all disciplines.

Why Choose the University of Chester Business School?

The MSc in Management is studied at our world-class business school on the banks of the River Dee in the heart of Chester. Its historic connections to Sir Winston Churchill, General Eisenhower and General De Gaulle, make it the ideal place for you to become one of the strategic decision makers and managers of the future. With a bespoke Postgraduate Study Centre and state of the art learning-zones, it offers excellent facilities for you – a multi-million pound investment has guaranteed it!

Your future career
Manage your future with our MSc

Our careers and employability team aim to give you the competitive edge to make you the main candidate in the jobs market. They will assist you with mock interviews to enhance your CV and help you with covering letters.

The MSc in Management aims to help you in a wide range of careers. On completion, many of our past students have progressed into middle management roles in a variety of industries, including: telecoms, retailing, engineering and manufacturing, banking, as well as public and not for profit sectors. Naturally the range of careers you can enter is extensive, but some examples include management roles in marketing, digital communications and retailing.

The Chester Experience

Not only will you enjoy the on-campus facilities, but you’ll be just five minutes from the breath-taking City of Chester where you can soak up its rich cultural heritage and sense of history. You will also be close to the larger cities of Liverpool and Manchester, as well as the stunning scenery of the North Wales coast and mountains just a short journey away.

Chester is home to global businesses such as KPMG, Bank of America, Airbus and Royal Bank of Scotland and our close industry links will provide you with a privileged insight into some of the world’s most successful businesses.

Entry Requirements

A minimum of a 2:2 honours degree in any discipline or the equivalent. Applicants without a degree, or with non-standard qualifications and or experience will be considered for entry and each application will be considered on its own merit.

Two intakes are offered per year in October and January.

“Studying with different nationalities brings a diversity of knowledge shared during discussions, and as one who wants to be recognized globally in the line of business, it is really a blessing in disguise.

I can definitely say yes, it has given me the confidence to go for my dream job.”
