WHY CHOOSE GLOBAL COLLEGE MALTA?

ENGLISH IS ONE OF THE OFFICIAL LANGUAGES OF MALTA.

The population is FRIENDLY and WELCOMING. Students who relocate to study or to work in Malta describe the transition period almost as non-existent, immediately feeling at home.

Malta is a hub for ECONOMY and EDUCATION in Europe.

The economy, though small, is remarkably healthy.

Malta is MORE ECONOMICAL compared to many other study destinations whilst still having a high quality and standard of life.

Students will pay a FRACTION of what it would cost to study and travel in countries such as Great Britain, the Americas, or Oceania.

Malta has been a member of the European Union since 2004.

This year, Valletta, the capital city of Malta, has been chosen as the European Capital of Culture 2018.

All of the courses offered at Global College Malta are validated and accredited by the NCFHE and recognised worldwide.

The premises are in SmartCity which is considered to be the innovation hub of Malta.

Offers quality British degrees ranging from UNDERGRADUATE to POSTGRADUATE awarded by the UNIVERSITY OF CHESTER.

Students can work for UP TO 20 HOURS per week during the term, and gain valuable WORK EXPERIENCE along with their studies.

Global College Malta offers flexible PAYMENT PLANS.

Malta has something to offer to everyone, with GORGEOUS BEACHES and over 7,000 years of intriguing HISTORY.

Malta is MORE than just a studying destination.
